ONLINE JOINT WORKSHOP: MISSION ADAPTATION AND MISSION CANCER

RESILIENT HEALTH SYSTEMS FOR CANCER

WEDNESDAY 30 APRIL, 14.00 - 15.30 CET

AGENDA

Welcome

Opening remarks from EU
Missions

Linking climate change and
cancer risk

Physical health impacts

Resilience Healthcare systems

Q&A

Closing remarks

JOIN US

Experts and stakeholders from the EU Mission Adaptation to Climate Change and the EU Mission Cancer will come together to share knowledge on the connections between climate change and cancer. Participants will also gain insights into strategies for adapting healthcare systems and infrastructure to withstand climate hazards. The session will encourage collaboration on building resilient healthcare systems that can effectively address cancer care in a changing climate.
